THE ART OF
CHRISTMAS
A CREATIVE TREE TRAIL

Discover the Art of Christmas along the Adelaide Riverbank; with a creative tree trail that winds along the banks of the River Torrens and onto Adelaide's cultural boulevard, North Terrace.

Twelve fabulous South Australian artists are using their creative talents and a sprinkle of Christmas magic to bring trees to life along the Adelaide Riverbank this Christmas.

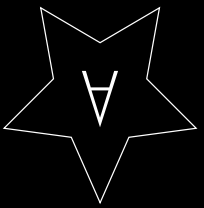

Each tree, unique just like the artists themselves, will form the trail for you to follow. Why not make a day of it and spend time at some of the many Adelaide Riverbank destinations along the way?
